Set out for Cape Town, nestled in the southwest of South Africa by Table Bay on the Atlantic. Iconic Table Mountain, along with Signal Hill, Lion's Head, and Devil's Peak, dominate the skyline.

The city seamlessly blends cosmopolitan flair, cultural richness, exceptional architecture, and natural splendour. Immerse yourself in Cape Town's allure, an enigmatic fusion of urban charm and breath-taking landscapes.

DAY 2: CAPE TOWN

Explore Cape Town at your pace today. Weather permitting, seize the chance to visit Table Mountain using the provided Cableway ticket. The cable cars' rotation offers a panoramic view during the ascent or decent.

Afterward, utilize the ticket for Kirstenbosch Botanical Garden, one of the greatest botanic gardens in the world. Nestled on Table Mountain's slopes, it encompasses 528 hectares and houses 2,500 plant species.

In the evening, enjoy a unique African experience at GOLD Restaurant, featuring a 14-dish taste-safari accompanied by Mali puppetry and drumming.

Please note the Table Mountain tickets are valid for any morning of your stay in Cape Town, and the Botanical Garden tickets is valid for the whole duration of your stay.

DAY 3: CAPE TOWN

Enjoy another day exploring Cape Town. Consider a drive to Groot Constantia, South Africa's oldest wine estate in Constantia. Known as "Groot" meaning great in Afrikaans, it's renowned for red wines like Merlot and Shiraz.

Later, venture to the iconic V&A Waterfront, nestled in the Southern Hemisphere's oldest working harbour. Its historical significance, abundant shops, and dining options make it an essential Cape Town experience. The two basins in Table Bay are named after Queen Victoria and Prince Alfred, honouring its royal heritage. Today, the V&A Waterfront is characterized by many shops, restaurants and is a must-see in Cape Town.

DAY 4: CAPE TOWN - ALBERTINIA

Enjoy your final Cape Town breakfast before heading to Albertinia.

For a taste of local liqueurs, consider a stop at Wildebraam Berry Estate in Swellendam.

Upon arriving at the malaria-free Garden Route Game Lodge, embark on a 3-hour afternoon game drive, seeking the Big Five and other wildlife such as elephants, lions, buffalo, white rhinos, giraffes, leopards, cheetahs, and diverse antelope. The open game drive vehicle offers prime viewing opportunities so be sure to bring your binoculars and camera!

After an exhilarating outing, indulge in dinner amidst the wilderness.

DAY 5: ALBERTINIA

Today revolves around immersive game viewing.

Rise early for a morning game drive, aiming to spot a variety of animals. On your return, enjoy breakfast and then relax before heading out on another game drive in the afternoon.

The day ends with dinner.

DAY 6: ALBERTINIA - KNYSNA

Today sees an early morning start to enjoy your last game drive in the reserve.

After breakfast, embark on a leisurely journey to Knysna, nestled between the towering Outeniqua Mountains and the Indian Ocean. Knysna is surrounded by world famous forests, beautiful lagoons, and pristine beaches, as well as a great waterfront with many shops for you to enjoy.

If you feel like exploring a little bit more, venture towards Tsitsikamma National Park, part of the Garden Route National Park, it's known for its ancient forest, pristine coast and beautiful rivers.

Don't miss Storms River Mouth. A boardwalk through coastal forest allows views of the sea, coast and river mouth and a 77m long suspension bridge crossing the Storms River Mouth, takes you to a pebble beach, before ascending steeply to a viewpoint over the coast – well worth the effort!

DAY 7: KNYSNA

At 08H30 your excursion to the Featherbed starts. Situated on the Western Head in Knysna, it is the premier eco-experience on the Garden Route.

The excursion begins with a ferry trip on the Knysna Lagoon to the Western Head and then hop onto a 4x4 vehicle & trailer to drive up the headland onto the Reserve, stopping at spectacular viewpoints. A specialist guide will give you information on history, fauna and flora.

If you want to discover the Featherbed further there is an optional guided 2.2km walk through coastal forest and fynbos into ancient sea caves.

After, enjoy a buffet lunch at the outdoor restaurant before taking the ferry back to Knysna.

DAY 8: KNYSNA - HERMANUS

Today, Hermanus is the main goal. Considered to be the whale capital, Hermanus is nestled between the beautiful shores and cliffs of Walker Bay. This beautiful location has grown from a small seaside resort to the world's most famous whale watching destination.

This city is also known for its natural scenic beauty, long stretches of pristine beaches and its excellent selection of restaurants, cafes and bars. Just outside of Hermanus is the Hemel-en-Aarde Valley.

On the way towards Hermanus travel along the stunningly picturesque Hemel en Aarde Valley, which is a beautiful route and a perfect way to experience a different side of the Overberg. The Wine Route is also famous for its uninterrupted views of the valley from any one of the superb restaurants, deli's or stalls, all of which give you the choice of world class wines and meals.

It was once said that "so high are the hills, which closely embrace the valley all around, that they seem to touch the sky and you cannot see anything but Heaven and Earth".

DAY 9: HERMANUS

Today it is all about the sea life - and in whale season (June - October) all about whales. The whale cruise offers the chance to explore the fascinating life in the ocean.

Between June and November is the best time to spot the whales, like the Southern Right Whale. With some luck you, will also be able to see the stunning Killer Whales, various species of dolphins and the Great White Shark.

DAY 10: HERMANUS - STELLENBOSCH

Stellenbosch, named after Simon van der Stel, was founded in 1679, making it the second oldest city in South Africa.

Located on the Eerste River, 111m above the sea and in a very fertile valley, it has become known as the centre of one of the best South African wine-growing regions and as the seat of the renowned Stellenbosch University.

Stellenbosch forms part of the well-known winelands located about 40 km to the east of Cape Town where you'll find historic towns, Cape Dutch farmsteads and of course great vineyards. Stellenbosch, Franschhoek and Paarl are the most famous ones and are the backbone of the Winelands.

These valleys are the largest winemaking region in the country with grape cultivation that dates back to the 1600s. Which wine estate you visit is up to you. What about Boschendal Wine Estate or a chocolate wine pairing at Waterford? The choice is yours...

DAY 11: STELLENBOSCH - CAPE TOWN INTERNATIONAL AIRPORT

Today it is time to say goodbye.

After your last relaxing breakfast and morning in the winelands it is time to head to the airport for your onward journey.

Drop your car at the airport and board your flight back home.
